#### PERMIT REQUIREMENTS

<p>The following guidelines apply for this permit:</p> <ol style="list-style-type: none"> <li>1) Applicant must provide two sets of drawings/prints to be reviewed</li> <li>2) Work must be designed and performed in accordance with all Lake Worth Ordinances</li> <li>3) Permit and plan review fee is based on square footage of sign(s). (reinspection fees may be assessed as necessary)</li> </ol>
-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

This permit, once issued, expires by limitation 180 days from the date of issuance unless construction is commenced and inspection approval is obtained within 180 days of issuance. The authority having jurisdiction shall be permitted to grant an extension of the permit time period for an additional 180 days upon written documentation by the permittee of a satisfactory reason for failure to start or complete the work or activity authorized by the permit. **Only one extension will be allowed. I understand that all permits require a final inspection.**

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction of the performance of construction.
