Construction Value – New Construction/Tenant Finishouts

- Single Family Residential projects shall be based on a cost per square foot of the total footage of the new construction.
- Non-Residential projects shall be based on a cost per square foot based on the total footage and type of construction of the new construction.

Plan Review Fee (in addition to building permit fee):

- Single Family Residential projects shall be assessed 25% of the building permit fee.
- Non-Residential projects shall be assessed 65% of the building permit fee.

Construction Value – Remodels/Additions/Misc.

- Single Family Residential projects shall be based on the construction value supplied by the applicant, unless questionable, then value may be determined by building official.
- Non-Residential projects shall be based on the construction value provided by applicant unless questionable, then value may be determined by building official.

Plan Review Fee (in addition to building permit fee):

- Single Family Residential will not be assessed a plan review.
- Non-Residential projects shall be assessed 65% of the building permit fee.
